

## Minutes of April 11th Living Well meeting

Meeting commenced at 6:35

### Attending:

Alvin Ahlers, Gay Peterson, Ann Dillon, Donna Palmer, Steven Palmer, Ginny Vandyke, Peter Lindsay, Peg Leonard, Diane Morrison

### Old Business

#### *Status of updated charge from Select Board*

Discussion was thoughtful and it was unanimously decided to prepare a presentation to the Select Board reporting what LWNy has accomplished and how we members believe this Committee has enriched the Town of North Yarmouth and, without a charge, we are wondering what is next.

#### *Sand Buckets*

Ginny reported that Debbie Grover asked her if LWNy might be interested in doing this project. It would involve delivering buckets of sand to residents for whom this would be difficult.

#### *Snow Shoveling*

There was no interest in pursuing this (what did I miss?) *Nothing*

#### *Story Walk*

Diane Morrison has been in touch with Town Manager Barnes to work out potential issues with the Story Walk (obstacles in path, weather-related safety concerns, etc). Diane M's suggestion is to have a place at the "kiosk" where people could report issues needing attention; or information about who to contact with maintenance issues needing attention. Diane M is awaiting TM's response.

### New Business

*Pan Fried Steel band reservation* - Steve tabled this discussion

Meeting Adjourned 7:55

Recording Secretary: Ann Dillon
